

more = less

Let's put an end to MORE:

CONSUMER WASTE
TRAFFIC CONGESTION · SEWAGE
ECONOMIC INEQUALITY · ENERGY USAGE
CONTAMINATED WATER · SOCIAL UNREST
DESTRUCTION OF NATURE

THE 2008 BERMUDA DEVELOPMENT PLAN
DETERMINES THE RULES AND GUIDELINES
TO BE FOLLOWED IN CONTROLLING THE
USE AND DEVELOPMENT OF ALL
BERMUDA LAND

We consume an excess of energy
that is derived from very costly oil.
We need to actively think of MORE
energy efficient methods in regards
to building, transportation, consumer
goods, and government policy.
